ALL YOU NEED TO KNOW BEFORE
booking your photosession

WHAT HAPPENS BEFORE THE PHOTO SHOOT step by step

O1

BOOKING

When we have decided on a date I will send you a agreement to sign digitally via ShootProof. When the agreement is signed, the date is booked.

O2

TAILORED TO YOU

After the agreement has been signed I will send you a form to answer. Based on your preferences, I create a pdf with suggestions for locations and dresses that I think will suit you.

O3

TIME OF DAY

When you have chosen a location I will suggest a time of day that suits your preferences and the location. The sun disappears at different times if you are in an open meadow or if you are in a dense forest.

O4

ALL YOU NEED TO KNOW

When you have made all your choices, you will receive a pdf that summarizes all the choices you have made, as well as additional information that may be good to know before your photo shoot.

COMMON QUESTIONS good to know

PREPARATIONS

You fix your hair and make-up yourself as you like best. Depending on which dresses you have chosen and how warm it is, you may need to have a skin-colored bra without shoulder straps, warm tights, etc. If there are any special clothes you need to think about taking with you, I will write it in your information pdf.

DRESSES AND CHANGING

Depending on which package you have chosen, you can borrow 2, 3 or 4 dresses. You will use my portable dressing room to change, which gives you privacy even in the middle of the city.

I have no testing of dresses before the shoot, you make your dress choices based on photos.

BILLING

On the same day as our photo shoot, I will send the invoice to your email via Bokio, with payment terms of 2 weeks. If you want to buy more pictures in addition to those included in your package, I will send a supplementary invoice after you have selected pictures.

ONLINE GALLERY

After our photo shoot, I select your best photos and edit them. Within two weeks of your photo shoot, you will receive a link to an online gallery with fully edited photos. In the online gallery, you then make your choices.

REBOOKING

I only photograph outdoors, so if it looks like it will rain, we rebook the date free of charge. We also rebook without cost if someone becomes ill.
